[REDACTED]

Copy 1 of 1

20 JAN 1963

MEMORANDUM FOR: AFICG-5
Headquarters, USAF

SUBJECT : 35mm Movies [REDACTED]

1. [REDACTED] queried us on the availability of 35mm movies [REDACTED] request for this type movies and limited recreational facilities [REDACTED] theater and projection booth were built to specifications for 35mm movies. The only requirement other than the 35mm movies would be for the camera and associated gear.

2. Through contact with [REDACTED] Motion Picture Service, HQ, USAF, we have determined that the following applies for qualifications for the service desired:

a. 35mm film is delivered from a commercial source to the exchange point by truck.

b. Use of film is for bases of [REDACTED] or more population and only when base population is known.

c. The film is not obtainable from AF sources when projectors other than Air Force are used.

d. When use of 35mm film showing are authorized, Air Force provides the film and projectors.

3. For security reasons, [REDACTED] request your office handle this matter for us and authorize use of 35mm film and provide associated gear from the Motion Picture Service.
